

Veterans Home - Chippewa Falls

Family Updates 9.22.2020

Hello to the Family and Friends of the Veterans Home!

Our hearts are overflowing with gratitude for your courage and strength every day. Your diligence continues to help our community.

Covid Updates:

I am happy to report we continue to have zero diagnosed COVID-19 cases among members and staff.

To ensure we're taking every action possible to protect the Veterans Home from the spread of this virus, we're following recommended guidance from the Centers for Disease Control and Prevention (CDC), Centers for Medicare & Medicaid Services (CMS), state, and local health officials.

We are almost finished with our routine testing for this week and should get those results in a few days. We will continue this routine testing per guidelines from the State of Wisconsin and CMS. Members will continue to be tested during any hospitalizations, if they are symptomatic, or if we have an outbreak here.

Gazebo Gathering Openings:

As September is drawing to a close, we do want to encourage families to schedule gazebo gatherings, if you haven't done so yet this month. We do have open time slots the rest of the month for members to have a second visit. We also still have a few openings this Sunday, September 27th. Please call the receptionist to make your reservation.

As always, please feel free to contact us if you have questions at any time.

Thank you!

A handwritten signature in black ink, appearing to read "Megan".
